NOW THEREFORE, THE EMERGENCY POLICY GROUP OF HILLSBOROUGH COUNTY, FLORIDA, IN A MEETING ASSEMBLED THIS 22nd DAY OF JUNE 2020, ISSUES THIS EXECUTIVE ORDER RESOLVING THAT:

1. “Business” as used herein shall mean any commercial or for-profit entity (regardless of corporate structure or formation) that provides goods or services directly to the public. “Business” as used herein does not include religious organizations, private clubs or nonprofit organizations nor does it include any location under the control of Hillsborough County Public Schools, which shall establish its own policy for all its locations within the district.

2. “Business operator” as used herein shall mean any individual that controls the operation of an indoor location of a business, regardless of the formal title or role held by that individual or entity.

3. “Face Covering” as used herein shall mean a uniform piece of material that securely covers a person’s nose and mouth, and remains affixed in place without the use of
one's hands, whether store-bought or homemade. Examples of compliant home-made masks may be found at https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-make-cloth-face-covering.html.

4. Medical and surgical face masks, such as “N95” masks or other similar medical or surgical masks, are in short supply and should be reserved for health care personnel and other first responders with the greatest need for such personal protective equipment.

5. Nothing herein shall require or allow a person to wear a face covering so as to conceal the identity of the wearer in violation of Fla. Stat. Chapter 876.

6. All business operators of an indoor location of a business that is open to the public in Hillsborough County shall require all persons within the location to wear a face covering when not maintaining social distancing from other person(s), excluding family members or others residing in their home and subject to the exceptions in paragraph 9.

7. Business operators shall be required to ensure compliance with and enforce the provisions of this Order. Business operators shall 1) deny admittance to any indoor business location under their control to any persons who fail to comply with the requirements of this Order and 2) require or compel the removal from any indoor business location under their control of any persons who fail to adhere to the requirements of this Order. Individuals other than business operators may not be charged with a violation of this Order.

8. Every business is strongly encouraged to develop and implement a health and safety plan consistent with this Order requiring protective face coverings and CDC guidelines and to post the plan in a conspicuous location sufficient to provide notice to persons within the business of the requirements of the plan.

9. Nothing herein shall require the wearing of face coverings by the following persons:
   a. Persons under the age of two years; and
   b. Persons observing social distancing in accordance with CDC guidelines; and

   d. Persons working in a business or profession who do not have interactions with other persons; and
e. Persons working in a business or profession who maintain social distancing from another person; and

f. Persons working in a business or profession where use of a face covering would prevent them from performing the duties of the business or profession; and

g. Persons exercising, while maintaining social distancing; and

h. Persons eating or drinking; and

i. Public safety, fire and other life safety and health care personnel, as their personal protective equipment requirements will be governed by their respective agencies; and

j. The requirement shall not apply when a person who is hearing-impaired needs to see the mouth of someone wearing a face covering in order to communicate; and

k. The requirement shall not be applied in a manner that would conflict with the Americans with Disabilities Act (ADA).

10. All persons within any indoor location not subject to the requirements of this Order are strongly encouraged to follow appropriate social distancing and safety protocols issued by the CDC.

11. The provisions of this Order shall serve as minimum standards, and in no way modify any power possessed by municipalities within Hillsborough County to impose more stringent standards within their jurisdictions.

12. It is the intent of this Order to seek voluntary compliance with the provisions contained herein and to educate and warn of the dangers of non-compliance. However, in the event voluntary compliance is not achieved then, as a last resort, violation of this Order by a business operator may be prosecuted, pursuant to the provisions of Section 252.50, Fla. Stat., as a second degree misdemeanor punishable as provided in Section 775.082 or 775.083, Fla. Stat.

13. The provisions of this Order are severable and if any provision of this Order is held to be invalid by a court of competent jurisdiction, the remainder of this Order shall not be affected and shall remain in full force and effect.

14. This Order is effective immediately, except that the enforcement provisions of this Order shall become effective at 5:00 p.m. on June 24, 2020. It is the intent of the Hillsborough County Emergency Policy Group that this Order shall be reviewed every seven days in conjunction with its order extending a local state of emergency and to continue to closely monitor all data relating to COVID-19.
