NOW, THEREFORE, PURSUANT TO THE AUTHORITY VESTED IN ME AS GOVERNOR OF THE STATE OF GEORGIA, IT IS HEREBY

ORDERED: That a State of Emergency exists for the purpose of suspending the federal rules and regulations limiting hours operators of commercial vehicles may drive in order to ensure the uninterrupted supply of petroleum products, emergency or disaster related materials, supplies, goods and services (to include any agricultural or other food products) throughout Georgia. This emergency justifies a suspension of Part 395 (driver's hours of service) of Title 49 of the Code of Federal Regulations. The suspension will remain in effect for three (3) weeks or until the emergency condition ceases to exist, whichever is less. Nothing herein will be construed as an exemption from the Commercial Driver's License requirements in 49 C.F.R. 383 and the financial requirements in 49 C.F.R. 387.

IT IS FURTHER

ORDERED: That no motor carrier operating under the terms of this emergency declaration will require or allow an ill or fatigued driver to operate a motor vehicle. A driver who notifies a motor vehicle carrier that he or she needs immediate rest will be given at least ten (10) consecutive hours off-duty before being required to return to service.

IT IS FURTHER

ORDERED: That weight, height and length for any such vehicle traveling through the state of Georgia for the purposes of providing disaster relief and/or preparation, which traverses roadways maintained by the State of Georgia, shall not exceed the following:

- A. Continuous travel is authorized, with the proper escorts.
- B. If the width of said vehicle exceeds eight (8) feet six (6) inches and is traveling after daylight, defined as thirty (30) minutes before sunset to thirty (30) minutes after sunrise, the transporter is required to have a vehicle front and a rear escort/amber light when traveling on a two lane roadway and a vehicle rear escort when traveling on a four lane highway. Transporters are responsible

for ensuring they have proper oversize signs, markings, flags and escorts as defined in the Georgia Department of Transportation Rules and Regulations.

IT IS FURTHER

ORDERED: That commercial vehicles operating outside the normal weight, height and length restrictions under the authority of this Executive Order shall be issued permits by the Georgia Department of Public Safety. Said vehicles shall be subject to any special conditions the Georgia Department of Public Safety may list on applicable permits. Nothing in this Executive Order shall be construed to allow any vehicle to exceed weight limits posted for bridges and like structures, nor shall anything in this Executive Order be construed to relieve compliance with restrictions other than those specified in this Executive order or from any statute, rule, order or other legal requirement not specifically waived herein.

Oversize permits may be issued by the Georgia Department of Public Safety, Motor Carrier Compliance Division, during normal business hours, Monday through Friday by calling 404-624-7258 or through the Georgia Permitting and Routing Optimization System online portal at <https://gapros.dot.ga.gov/>.

IT IS FURTHER

ORDERED: That this Executive Order does not suspend operation of any state or federal law or regulation, except as specifically described herein.

IT IS FURTHER

ORDERED: That a State of Emergency exists in the following counties: Bryan, Camden, Chatham, Glynn, Liberty, and McIntosh Counties.

IT IS FURTHER

ORDERED: That all resources of the State of Georgia be made available to assist in preparation, response and recovery activities in Bryan, Camden, Chatham, Glynn, Liberty, and McIntosh Counties, and the Georgia Emergency Management and Homeland Security Agency activate the Georgia Emergency Operations Plan.

This Executive Order shall be valid for a period of three (3) weeks, beginning on September 6, 2017 and ending at 11:59 pm on September 27, 2017.
